

2025 ACRS Certification

InfraBuild supplies a comprehensive range of steel products manufactured to AS/NZS 3679.1, AS/NZS 4671 and AS/NZS 4672 for use in the construction industry.

Mill test certificates for these products demonstrate that the product conforms to the requirements of the relevant Australian Standard. ACRS certification is confirmation from an independent authority that the mill has demonstrated capability to manufacture the products to the relevant Australian Standards and does so consistently.

All products supplied by InfraBuild that are covered by an ACRS Certificate are included in the 2025 Compendium of ACRS Certificates.

ACRS Certificates for Austube Cold-formed hollow sections can be accessed from www.AustubeMills.com

CERTIFICATE OF APPROVAL

Product Conformity Certification

This is to certify that

InfraBuild Steel

at

22 Kellogg Rd Rooty Hill NSW Australia 2766

has satisfied the Authority that it complies with the rules of the ACRS Product Certification Scheme and the relevant ACRS Quality and Operations Assessment Procedures. Where appropriate, and as listed below, it has further satisfied the Authority that it manufactures and/or supplies products that conform with the Standards listed below, and is entitled to use the ACRS mark in relation to the products listed on this certificate.

SCOPE OF CERTIFICATION

Structural steel Hot-rolled bars and sections AS/NZS 3679.1:2016

plus the requirements of the "Materials" and "Fabrication" sections of AS 4100:2020 Steel structures, or AS/NZS 5131:2016 Structural steelwork – Fabrication and erection, or AS/NZS 5100.6:2017 Bridge design - Steel and Composite, or the Materials and Brittle Fracture section of NZS 3404:2009 Steel Structures Standard – Materials fabrication and construction.

This certificate remains the property of the Authority and is issued subject to the Regulations of the Authority.

Product Conformity Certification

This is to certify that

Infrabuild Wire

at

28 Madden Ave, North Shore Geelong VIC Australia 3214

has satisfied the Authority that it complies with the rules of the ACRS Product Certification Scheme and the relevant ACRS Quality and Operations Assessment Procedures. Where appropriate, and as listed below, it has further satisfied the Authority that it manufactures and/or supplies products that conform with the Standards listed below, and is entitled to use the ACRS mark in relation to the products listed on this certificate.

SCOPE OF CERTIFICATION

Reinforcing Wire Manufactured in coil to AS/NZS 4671:2019

Products listed on this Manufactured Product certificate may be relied upon as having the benefit of ACRS Product Scheme certification after any subsequent processing only where cut, or bent, or welded (e.g. into mesh, or fitments) by an ACRS Certified mesh manufacturer or reinforcing processor.

For mesh Approval, refer to the mesh manufacturer's ACRS certificate. For Approval of fitments and other processed materials, refer to the bar processor's ACRS Fabricated Product certificate.

This certificate remains the property of the Authority and is issued subject to the Regulations of the Authority.

Cert. Ref.: 001-09 80603

Product Conformity Certification

This is to certify that

Infrabuild Construction Solutions

at

285 Lavarack Ave Eagle Farm Qld Australia 4009

has satisfied the Authority that it complies with the rules of the ACRS Product Certification Scheme and the relevant ACRS Quality and Operations Assessment Procedures. Where appropriate, and as listed below, it has further satisfied the Authority that it manufactures and/or supplies products that conform with the Standards listed below, and is entitled to use the ACRS mark in relation to the products listed on this certificate.

SCOPE OF CERTIFICATION

Processing and distribution of carbon steel bars and distribution of mesh

Products listed on this Manufactured Product certificate may be relied upon as having the benefit of ACRS Product Scheme certification after any subsequent processing only if cut, or bent, or welded by an ACRS certified processor. For Approval of processed reinforcing bar, refer to the bar processor's ACRS Fabricated Product certificate.

This certificate remains the property of the Authority and is issued subject to the Regulations of the Authority.
